

HARDWOOD CLASSIC COLUMNS

A quality stain grade column manufactured from select hardwoods such as Red Oak, Cherry, Maple and Mahogany. Used for interior applications, this column incorporates a tapered shaft with a true architectural entasis and a classic style bead.

Hardwood classic columns are available either plain or fluted in sizes 8"x8' through 12"x12'. Time honored craftsmanship and attention to detail set Crown hardwood classic columns apart as the standard for elegance and beauty.
